They take precedence over any previous or concurrent, verbal or written notices, proposals or commitments with regard to the product or any other subject of the license. If individual provisions are contradicted by provisions of one of the Licensor's policies or one of his programs for support services, these General Terms and Conditions of Use shall take precedence.

7. TERMINATION

Without prejudice to other rights, the Licensor is entitled to terminate this agreement without notice if the Licensee does not observe the provisions of this agreement. In this case, the Licensee is obliged to destroy all copies of the product and all of its components.
